Sir:

I, ANDREW ADAMS-MORAN, hereby declare as follows:

1. That Patent Application Serial #10/822,739 was filed at the U.S. Patent and Trademark Office on 13 April 2004, having the proper inventors named, namely, AVIK SINHA & CAROL S. SMIDTS;
2. That apparently on 3 July 2007, an Official Action was mailed from the U.S. Patent and Trademark Office which rejected Claims 1-22 of the above-referenced Patent Application, based upon an Article entitled "Enhanced Testing of Domain Specific Applications by Automatic Extraction of Axioms from Functional Specifications", of which I was named as one of the authors;
3. That in fact I provided information regarding background information for the Article;

4. That I have reviewed Claims 1-22 of the Patent Application and have found that I am not one of the inventors of the claimed subject matter in the Application, although I was one of the authors of the cited Article;

5. That the proper inventors of the subject Patent Application were in fact Avik Sinha & Carol S. Smidts.

I HEREBY DECLARE that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the Application, or any Patent issued thereon.

ANDREW ADAMS-MORAN
